experience

KALIO TECH — JUNIOR FRONT-END DEVELOPER
2021 JAN - AVRIL (Stage)

- UX/UI Design, create wireframes and prototypes.
- Implementation (HTML5, CSS3, Sass, Javascript, Jquery, Tailwind CSS, Laravel, Shepherd.js) & troubleshooting

STARTUPS - FREELANCE — GRAPHIC DESIGNER & JUNIOR FRONT-END DEVELOPER
2018 - PRESENT

I offer my services to startups and freelancers, mostly for Logo designs & layouts composition. I gained experience in:

- Design layouts & logos using esthetic design concepts. Prepared rough sketches of logos and illustrations to give customers a clear idea of what the end product could look like. Assembled and marked final layout to ensure everything was ready for the printer.
- UI/UX Design (Typography, Visual Hierarchy, Color Theory, Wireframes) prototyping, build websites & web applications.

ENHESA SA — HR COORDINATOR
2016 - 2019

- Project management, payroll, training & help design brochures, corporate identity (companie's values posters) & business cards.

INTERFACE3 — TRAINING COORDINATOR & COMMUNICATION EXPERT
2009 - 2016

- In charge of the internal and external communication: follow-up and implementation of communication marketing campaigns: help design brochures, e- mailings, flyers, editing videos, website, social media pages & annual report of the organization. I also gave training in personal development, time management, communication, Microsoft Office suite, project management.

RTBF (RADIO VIVACITÉ) / LE VIF L'EXPRESS MAGAZINE / LE SOIR EN LIGNE — JOURNALIST
1-year internship between 2005 & 2007
